1. Introduction

Book Buddy is designed to help you discover and purchase books from a range of authors. Whether you're a seasoned reader or just getting started, we're here to enhance your reading experience.

2. Getting Started

To begin using our site, simply navigate to the homepage. Here, you'll find a curated selection of books and you will be able to click on any book to generate recommendations based on them. You can also checkout as a guest from any book detail page.

3. User Account

Creating a user account allows you to access additional features, such as creating and managing book collections and having access to a shopping cart. To create an account, click on the "Sign Up" button and follow the prompts.

4. Managing Collections

Once logged in, you can create and manage book collections. Collections allow you to add books to custom named collections. To create a collection, go to your profile and click on the "Create Collection" button.

5. Adding Books to Collections

To add a book to a collection, navigate to the book's detail page and click on the "Add to Collection" button. Select the collection you'd like to add the book to, and the book will be added to your collection.

6. Removing Books from Collections

To remove a book from a collection, go to the collection's detail page and hover over the book you'd like to remove. Click on the "Remove" button, and the book will be removed from your collection.

7. Renaming Collections

You can also rename collections by going to the collection detail page. There will be an input field at the top and a button that says rename collection.

8. Cart and Checkout

To purchase books, add them to your cart by clicking on the "Add to Cart" button on each book's detail page. Once you've added all the books you'd like to purchase, click on the cart in your user profile. Proceed to checkout to complete your purchase.

9. Contact and Support

If you have any questions or need assistance, please visit our contact page to get in touch with our support team. We're here to help!

We hope you enjoy using Book Buddy! Happy reading!
